

Standing Desk, Coordinate Electric Sit or Stand Desk with Memory Controller by Hon

Hon Coordinate Electric Height-Adjustable Sit or Stand Desk with Memory Controller, Cherry/Silver

Set the perfect height from sitting to standing with this electric adjustable table! This reverse-telescoping height adjustable table base allows the operator to move from a sitting to a standing position, which encourages blood flow and keeps employees healthy and happy! And, with simple up and down controls, this table base is a snap to operate. The Advanced Memory Controller features an easy to read digital display that displays the current height in inches, and has 4 programmable height settings to make going from your preferred sitting height to your preferred standing height a breeze! Can also be used to accommodate different user's preferred heights. Can also be manually adjusted to any height within the 25"~49" range. A durable steel frame with cross bars ensures optimal stability, with the power to lift up to 300 lb. of equipment. Cherry laminate top features 2 cable management grommets.

**Double Pedestal Executive
Desk, Bush Enterprise
Collection in Mocha Cherry**

Bush Enterprise Collection Double Pedestal Executive Desk, Mocha Cherry

Forming the cornerstone of a productive office, The Enterprise Collection is serious furniture for serious work, no matter where it's done.

- Scratch and stain resistant thermally fused laminate surface works hard for years
- Desk features one box drawer and one storage compartment for miscellaneous office supplies and two file drawers that open on full-extension ball bearing slides, for letter or legal size files
- Materials and construction methods that meet rigorous commercial industry standards for safety and durability (ANSI/BIFMA)
- Connect laptops or PC's with the 4-port USB hub making charging fast and easy
- Commercial quality
- Thermally Fused Laminate surface offers superior resistance to scratches and stains
- Includes one 4-port USB hub and one wire management grommet in each main work surface
- Meets ANSI/BIFMA standards for safety and performance in place at time of manufacture
- Includes one Box Drawer/Door pedestal and one File/File pedestal which utilize full extension ball bearing slides
- All file drawers accommodate letter, legal and A4 size files
- Wire cable management system

Durable Construction

The thermal-fused laminate surfaces of this Bush Enterprise double-pedestal desk provide extreme durability, so spills and stains won't diminish its service life in your office. Its construction from commercial-grade materials ensures its reliability and stability, and a 10-year manufacturer's warranty boosts confidence in this desk's longevity.

Abundant Storage

Keep your legal- and letter-size files within easy reach by storing them inside the two file drawers on this Bush Enterprise double-pedestal desk. A box drawer and storage compartment offer additional storage for office supplies and personal belongings, keeping your essentials close at hand while you're working.

Convenient Use

Full-extension ball-bearing glides on all this desk's drawers combined with its stylish silver-finished hardware make it simple to access files and items you have stored within. A four-port charging station built into this desk allows you to keep your small electronics powered up and ready to use when you need them most.
